What's New and Exciting at My Heritage

Daniel Horowitz

MyHeritage is at the forefront of innovation in genealogy and is constantly introducing new and exciting features to help users take their research to the next level. In this session, Daniel will give a detailed walkthrough of the latest and greatest from MyHeritage and show you how to make the most of these features. On the way, he'll give you a peek behind the scenes at how they were developed.

After a short intermission

Form and Content in German Church Records

Roger P. Minert

This presentation includes a short history of the keeping of church records in the German-language countries in Europe, as well as in specific German provinces since 1490. Church and state regulations regarding the keeping of church records are discussed. A case study is demonstrated based on a typical parish in Württemberg with records from 1562 to 1876.
