Michigan in 1950 - Painting the Picture of Michigan Based on 1950 Census Results

Scott Norrick, speaker

Data from the US Census can reveal a lot of interesting information about a community. In this presentation, Scott Norrick will reveal his findings and insights from reviewing and analyzing US Census data for Michigan from the 1950 Census.

Fire, Water, and the 1890 U.S. Census: Researching Beyond the Ashes and Mold

Elizabeth Williams Gomoll, CG

Most genealogists are aware the 1890 federal census was destroyed in a fire in 1921. Learn the story behind this historical and genealogical tragedy and how to work around the loss of that precious record.
